### From the Chair...

Hi everyone. Most of you already know that I was elected the chairperson for the CNAC a few months ago. I want to try some new things to help the CNAC refocus its efforts on the implementation of the Central Northeast Area Plan.

Firstly, I'm making a commitment to generate this quarterly report in which I'll summarize activities and successes from the previous quarter.

Secondly, I'm planning some changes in the CNAC monthly meeting. Instead of the round-table format we've used in the past, I will be preparing some visual aids and facilitating an activity that will allow us to quickly understand what our member neighborhood associations are doing in support of the Central Northeast Area Plan.

Thirdly, I'm preparing a list of Request for Proposal and Grant Opportunities for Neighborhood and non-profit Organizations (Sample Attached). By submitting proposals and applying for grants our member neighborhood associations might be able to get funding for projects. From now on, only meeting attendees will get the list. If you want the list, send a representative to the meeting.

Our next CNAC meeting will be on Thursday, August 7, 2008 at 6:30pm at Atwater Neighborhood City Hall. Please join me in this experiment to find new ways to meet the goals we outlined in the Central Northeast Area Plan.

Kim

### CNAC Website and Address

Thanks to Alan Dsouza (Hyde NA) the CNAC has a new website  
<http://www.simplyneighbors.com/usa/kansas/wichita/cnac>

And new email address  
[cnacwichita@yahoo.com](mailto:cnacwichita@yahoo.com)

Our new postal address is P.O. Box 8424, Wichita, KS 67208

### Legal Matters

The CNAC has established a checking account that is managed by our Treasurer Willie Burton. We are in the process of applying for non-profit status with the state of Kansas. Our reason for establishing the CNAC as a legal entity is to make it possible for CNAC to apply for grants and funding that is only made available to non-profit organizations.

## Second Quarter Activities that Support the Central Northeast Area Plan

*Listed below is a sampling of the activities that our member neighborhood associations completed during the second quarter in support of the Central Northeast Area Plan. I call it a sample because the CNAC has not done a good job of documenting the things that our member organization have been doing. I believe that this list is woefully incomplete. It will better reflect our activities in the coming quarters ....K i m*

The Nestle Very Best in Youth Program, sponsored by Nestlé USA, honors young people (ages 13 to 18) who have excelled in school and who are making their community and the world a better place. The young people, selected from nominations from volunteers, parents, and teachers, will be featured in a special publication and honored at a black-tie ceremony in Los Angeles in July 2009.

To be eligible, applicants must be legal residents of the United States or its territories and be between 13 and 18 years of age. Students will be judged based on the information provided on the entry form (i.e., strong academic record; special contribution to school, church, or community; demonstration of good citizenship or a personal obstacle the youth has overcome).

Judges will select twenty-five outstanding youths to be profiled in a book, which will be published in the summer of 2009. If a winner is unable to attend the awards ceremony, his/her prize will be forfeited and another winner may be selected.

Each winner will also receive a trip with his/her parent or legal guardian to Los Angeles for the Nestlé Very Best In Youth awards ceremony. The trip will include round-trip air travel, hotel accommodations for three nights, and \$500 in spending money.
